real difference to
Your **business**

But
sometimes...

They say two heads are better than one, but imagine sitting around a table for about three hours each month with a group of a dozen or so like minded business people, eager to listen to and help you with the challenges you face in your business. Such an elite think tank would result in a gigantic exchange of ideas, you will walk away feeling highly motivated, ready to put those ideas into action.

Now add to that a regular monthly meeting PLUS follow-up weekly telephone calls with an experienced mentor with whom you can

build a relationship of trust and respect. You can expect to achieve outstanding results as you are guided, mentored, consoled, challenged and held accountable to unlock your full potential.

Then add the fact that this powerful group and your mentor are available for telephone calls and email messages throughout the time between

Are you eligible for the "Heads for Business" Program?

If you own or manage a small business with a turnover of less than \$1 million per year you are invited to apply for acceptance into the program in your regional area. You can also bring along your partner or other team member for a small additional investment.

What is Your Investment?

- ❖ Your investment for the total program is \$495 per month (direct debit or credit card) plus an initial joining administration fee of \$195 at the commencement of the program. (All fees include GST). You may leave the program at any time with 60 days notice in writing.
- ❖ An additional member from your organisation can attend for only \$250 per month.

How do you know you will get results?

We know you will be absolutely delighted with the results you achieve from the program. However, if after applying what you have learnt you are not absolutely satisfied we will arrange additional coaching to ensure you achieve the results you desire at no additional cost. Some conditions do apply, for example, you do of course have to show that you are making the necessary effort to get results.
